Peter Boemig started the meeting by giving a brief description of the project and offering to supply a set of the design drawings for the fee and for those who have not picked them up yet.

Discussed were:

1. All questions are to be submitted to SVE by Tuesday 10th of July
2. Bids are to be opened at the Select board meeting scheduled for the 17th of July 2012
3. Award is planned for the 17th of July 2012
4. Access to the stream bed is approved from July 1 through October 1st this year
5. Target completion date is 15 November this year
6. Specification for the “U” bolt is to be corrected by SVE

No Select board business was discussed
Respectfully submitted

Earl B Holtz
